

Covenant Life: Director of Community

Life is complicated. Getting it right matters. We want to help.

Understanding that life is hard, Covenant Life comes alongside to care for you, facilitate spiritual growth, and help build a community that can change lives! **Community** exists to help others become the best version of themselves by connecting to other people, helping people to discover their "place" at Covenant, and creating opportunities for young adults and families to grow in their faith & connection to others.

The Director of Community is vibrant, dynamic, and engaging leader who is dedicated to *building connections* to people in the church and community, committed to *developing leaders* through ministry initiatives for young adults and young families, is continually *advancing the ministry* of Covenant Church, and regularly *launching small groups* to build community within Covenant Church.

What you'll be doing:

- Championing ministry to – and for – young adults and young families in our community and city
- Strategize, plan, and execute weekly young adult program, "The Gathering"
- Identifying, equipping, and coaching small group leaders
- Helping people discover their gifts and empowering them to serve
- Intentionally and proactively seeking life coaching opportunities
- Identifying the felt needs of young adults and young families in the church and community
- Assisting in meeting the congregational care needs of Covenant Church (Winterville)
- Creating new initiatives, programs, ministries that builds/fosters community and relationships
- Launching curriculum-driven small groups geared for young adults and young families each semester

Skills you'll need to have:

- Passion to connect with people, especially young adults (22-35 years of age)
- Ability to plan, organize, and execute weekly social events
- Effective communication skills in a variety of settings
- Outgoing and engaging personality
- Ability to cast vision to, inspire, and coach volunteers and small group leaders
- Strong administrative skills to record interactions, visits, and interactions
- Ability to develop systems to efficiently advance ministry and communication
- Commitment to work collaboratively with staff, team, and individuals to accomplish ministry goals
